**IMPORTANT NOTICE RE FUEL SURCHARGE**

**EFFECTIVE IMMEDIATELY**

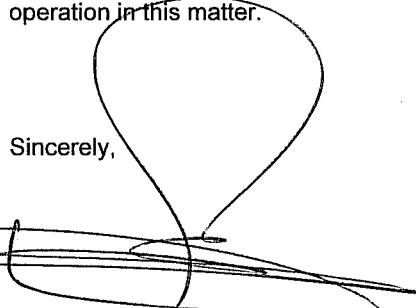

Dear Valued Customer:

It has become necessary for Compair Canada Inc. to revise our standard billing due to volatile fuel costs. Compair Canada will be charging a fuel surcharge on all service related invoices.

The surcharge will be charged at \$10.00 per travel hour on each service call.

In the event that gas prices return to normal levels we will eliminate the gas surcharge. We thank you for your co-operation in this matter.

Sincerely,

Danny DiCarlo  
Vice President, General Manager
